

Health Innovation Hub Ireland Open Call 2022

YOUR OPPORTUNITY TO SHAPE YOUR COMPANY'S
HEALTH INNOVATION JOURNEY

Do you have a market ready product or service?

Do you want the opportunity to pilot in an Irish Healthcare setting?

The **HIHI Open Call** is for you.

About the HIHI Open Call 2022

The HIHI Open Call 2022 is a competition to select the best market-ready products or services to pilot in an Irish healthcare setting.

HIHI has supported over 400 companies since 2016. At HIHI we have a unique offering giving your company access to pilot your innovation in a clinical setting. We are your access route to end-users and healthcare staff in acute hospitals, community and primary care settings across Ireland.

Who can apply?

The HIHI Open Call 2022 is open to Irish companies or companies with an Irish base which have products or services that:

- meet a priority healthcare need
- have (or will have) all the necessary regulatory approvals in place at the time of pilot (e.g. CE mark)
- are ready to pilot in an Irish healthcare setting.

How can I apply?

Applicants should go to HIHI website www.hih.ie/engage/open-call to:

1. download and read the HIHI Open Call 2022 Briefing Document
2. download and complete the HIHI Open Call 2022 Application Form
3. fill out the online submission form and upload completed Application Form on or before the submission deadline of **7th March 2022**.
